

GETTING READY

The first impression is critical to expediting the sale of your home!

As a seller in today's market, you play an integral role in achieving your ultimate objective! Presenting your property in its finest "show ready" condition attracts buyer interest, dramatically increases showings, and ultimately leads to a faster closing. Properly preparing your home for the photo session helps us capture elegant images that grab attention.

IMPORTANT REMINDER

Please do not schedule any other services the day of your appointment!

Important Tips!

The laundry room or garage makes for a great temporary hiding spot for items that you need to quickly make disappear for the shoot! If there is not enough room in those spaces please hide additional items in closets or under beds. Remove seasonal decorations if possible. Remember, anything that is in the room will be captured in the photo, so remove anything of value that you do not want visible in photos!
